

## Terms and Conditions

Please read carefully

**Permission will only be deemed given when this form is signed, returned and payment received by the Tasmanian Museum and Art Gallery. Permission is given for one time use only of items requested from the TMAG collections.**

Images relating to Indigenous Cultures may require a synopsis of the context proposed for the image and a copy of the exact wording that will be printed with the image to be supplied to the Indigenous Cultures curator Tony Brown. **Tony.Brown@tmag.tas.gov.au**

One free copy of the published material / book / film / DVD in which the work is reproduced is to be presented, immediately on production, to the library of the TMAG. The client hereby gives permission for said books / film / DVDs to be used by the TMAG for non-profit educational purposes.

Members of the public may not photograph or scan items in the collection or reproduce a TMAG image directly from a publication or display, nor may they photograph prints or photocopies supplied by TMAG, re-copy or hold digital images supplied by TMAG on any disk or hard-drive.

### Acknowledgement and citation

Every reproduction of an item from the TMAG is to be accompanied by the credit line **Collection: Tasmanian Museum and Art Gallery**. It must be clearly visible, preferably on the same page or screen as the image appears, either directly adjacent to the image or in the case of the internet or DVD/CDs, clearly accessible by 'mouse over' or one click to 'credits window'.

Images used on the internet or DVD/CDs must also be accompanied by the following text: **Collection: Tasmanian Museum and Art Gallery and the registration number.**

### Image Integrity

The entire image is to be reproduced without cropping, 'bleeding', alteration, manipulation, (ie: colouring), or overprint of any kind unless this has been agreed to in writing by TMAG beforehand. If a detail is reproduced, a separate application specifying the portion or detail to be reproduced must be made, and the word 'detail' must be included in the credit.

Reproduction fees are payable unless exemption is granted by the Director of TMAG. When large numbers of images are involved arrangements may be negotiated for an overall fee.

The TMAG reserves the right to refuse applications.
