# Membership that rewards you

The Friends of the Tasmanian Museum and Art Gallery was founded back in 1982. We assist TMAG in whatever way we can. Each year we present a varied program of events to bring people through the doors. We also support TMAG's curators and collections by donating funds to assist with purchases.

Joining the Friends will reward you in many ways. Here are just some of them:

- **Enjoy access to the TMAG Members' Lounge, where TMAG Café staff will serve you meals and drinks**

- **Assist TMAG through the purchase of needed items by the Friends**

- **Get to know your museum and art gallery, including behind-the-scenes tours**

- **Expand your horizons with Friends events at TMAG and further afield**

- **Attend social events and meet like-minded people**

- **Immerse yourself in TMAG exhibitions, with insights from TMAG curators and other experts**

- **Hear first-hand about artists' inspiration and scientists' discoveries**

- **Follow your passions, and discover something new as well**
