

TEACHER ENRICHMENT IN VISUAL ART 2012

Art is relevant to all subject areas and disciplines, providing a powerful way to consider new ideas and rethink the familiar. AccessArt Enrichment Programs are open to all educators – from any institution, any age-group, teaching any subject. Building relationships between peers and colleagues is an important goal of our program. Whatever your level of experience with creative practice, when it comes to contemporary art, the only guarantee is that you're bound to experience something new!
