Tasmanian Museum &
Art Gallery - Dunn Place, Hobart

FREE EVENT

Exhibition continues until
23 February 2014

Michael Schlitz, *Water bearers*, 2005, Relief woodblock print on Japanese Kozo paper. Photo: Simon Cuthbert.

Join the *Acts of Exposure* artists and curators for a public discussion of the curatorial themes and how these relate to the work presented.

Acts of Exposure aligns with contemporary Romanticism and the artistic tradition of the body in space. Mark Shorter, Michael Schlitz and Leigh Hobba each use the landscape as a stage to enact performative or narrative-driven works of art. Pushing physical and psychological limits, they locate themselves - virtually or actually - within the external environment.
