Harmony Week is taking place around Tasmania from 14 - 21 March, celebrating the state's cultural diversity. At the Tasmanian Museum and Art Gallery (TMAG), we are joining in the festivities with a special late-night opening. There will be a range of activities on offer, including live music, entertainment, food vans and a pay bar.

Visitors will also be able to view our new exhibition *Snapshot Photography and Migrant Women: A Tasmanian Experience*, and the accompanying display *Everyone is Human: Stories of Recent Migration*.

Suitable for all ages, admission is free!
